Thanks Steve.

Yes, we can make a projector available but you will need to provide an e-copy to Dante Rodriguez and Dave Davis for them to follow along.

Hello everyone,

We look forward to seeing you all tomorrow at 4pm to go over the enhanced evaporation pilot test results. We are planning to present a ppt to guide our discussion.

Greg, will you have a projector available and will those who are not attending in person be able to view the screen?

Regards,  
Steve
